2. G.O.Ms.No.196, HM&FW(D2) Deptt , dt.27-5-2008.
3. From the President, A.P.Nurses and Midwives Council, Lr.No.APNMC/MPHW/5162/2012, dt.17-2-2012.

ORDER:-

In the G.O.1st read above permission has been accorded to Bhavani Educational & Rural Development, Suryapet, Nalgonda District to start the MPHWS (F) Training Institute at Nakrekal, Nalgonda District with an intake capacity of forty (40) students per year.

2. In the G.O.2nd read above permission was accorded to Bhavani Educational & Rural Development, Suryapet, Nalgonda District to shift the Aparana MPHWS (W) Training Institute from Nakrekal, Nalgonda District to Kodada of Nalgonda District accordingly the institute is running at Kodada.

3. In the letter 3rd read above President, AP Nurses & Midwifery Council, while communicating the inspection report, which has been submitted by the team of Inspectors, has reported that Inspectors of the Council Gandhi Hospital, Secunderabad have inspected the Aparna MPHWS (F) Training Institute at Kodada, Nalgonda District in the existing premises at Kodada, Nalgonda District, as well as proposed shifting place at Nalgonda town on 28.01.2012. The inspectors have recommended to accord permission to shift the training from Kodada, Nalgonda District to Nalgonda Town and requested to issue necessary appropriate orders in the matter.

4. The four members inspection team in their letter dt.30.01.2011 has stated that they have inspected the Aparna MPHWS (F) Training Institute existing at Kodada and the buildings proposed for shifting of the same to Nalgonda Town on 28-1-2012 and submitted report in detail regarding suitability for shifting the institute from Kodada to Nalgonda Town, keeping in view of the facilities available with reference to existing rules of Indian Nursing Council. They have informed that the facilities available at Kodada are adequate, but the institution and its attached hostel are run in lease building and accord to the version of the management, there had been steep increase of rent and as such it appears not to be viable. They have inspected the buildings proposed to be shifted the said Multipurpose Health Workers (F) Training Institute and found the same adequate to impart MPHWS (F) Training course as per the guidelines stipulated by Indian Nursing Council. Moreover, the buildings at Nalgonda town owned by the Management of the Institution and more such more viable than running an institution at Kodada. They have verified the ownership documents of the building and found that the same is registered in the name of sponsoring, Bhavani Educational and Rural Development Society. They were also given to understand that the authorities of Indian Nursing Council is periodically informing them in their circulars to such institutions to have own buildings than buildings obtained on lease. The building at Nalgonda town is quite suitable for the Multi Purpose Health Workers (F) Training Institute in all respects. The building is kept in a hygienic condition. Besides this, Nalgonda town, being the Head Quarters of

PTO.

the District is fast developing and Medical facilities are expanding in length and width. The District Head Quarters Hospital is situated in the town. The institute is affiliated to well established Hospitals, namely, Medi Centre Super Speciality Hospital (100 beds), Kadimi Hospital (75 beds) and Greenland Hospital (75 beds). In addition to this, Primary Health Centre, Narketpally is situated in 20 KMs distance from the buildings proposed for shifting. The District Medical & Health officer, Nalgonda has accorded necessary permission to the institute for deputing the trainees to the PHC, Narketpally for Field/rural training as required in terms of INC Rules. As such adequate clinical training and field training facilities are available. The total bed strength in the affiliated Hospitals is 250 and suitable for giving training to students with an intake of 60. The bed-strength in the affiliated hospitals in the ratio recommended by Indian Nursing Council for MPHWS (F) Trainees. The necessary permissions are also given in the Book appended to the report. Laboratory, Library and other facilities are adequate and in accordance with INC guidelines. The institution is suitable for intake of 60 students and they have recommended to permit the institution with an annual intake of 60 students. They have verified the records pertaining to the students and they have noticed that the batch admitted for the academic year 2010-11 (June 2010 to Nov.2011) have completed their training.

5. The Inspection team have also stated that they have gone through the records pertaining to the staff, both teaching and non-teaching to the Institute and found them suitable for imparting MPHWS (F) Training course as per the guidelines stipulated by Indian Nursing Council.

6. They have therefore opined that the Aparna MPHWS (F) Training Institute proposed at Nalgonda is suitable in all respects and recommended that orders may be issued for shifting of the institution from Kodad to Nalgonda town.

7. After careful examination of the matter Government hereby accord permission to the Secretary & Correspondent, Bhavani Educational & Rural Development, Suryapet, Nalgonda District to shift the Aparna MPHWS (F) Training Institute. from Kodada, Nalgonda District to D.No.4.11.216, Nalgonda town from the academic year 2012-13 next batch with clinical attachment to (1) Medi Centre Super Speciality Hospital, Nalgonda (2) Kadimi Hospital, Nalgonda (3) Greenlands Hospital, Nalgonda subject to fulfillment of the conditions stipulated in G.O.Ms.No.314, H.M & FW (D2) Department, dt.16.08.1997 and free from the litigations on the institute if any.
